Lowly Shepherds With Flocks On Nearby Hills First To Note Miracle Of Celestial Visitation

Long-Awaited Messiah Born in Lowly Manger

Christmas issue today tells the story of Christ's birth as it might have been told if modern newspapers had been printed at that time. Today's current news appears on inside pages. The Bethlehem story was mainly written several years ago by a newsman and its use has become a tradition with us. The dispatches are based on the story of the Christ child as it was written

Eyes Of All Judea Turn To Bethlehem As Word Spreads

Appearance Of Star Convinces Inhabitants New Baby Is Prince

BETHLEHEM, Dec. 25 — Beginning the Year of Our Lord 1. — The eyes of all Judea are turned with awe today upon this little town as word emanates from it that the long prophesied Messiah was born here last night.

Miraculous happenings and visitations of heavenly hosts which confounded them with radiance and divine song, lead inhabitants to believe that this is the prince of the throne of David, who, Scriptures have said, will reunite the scattered tribes of Israel and reign over them as the son of God.

The appearance of a new star of Great magnitude and luminesance, convinced them that it portends to the ancient prophecy.

The infant, born to Mary, a Jewish girl from Nazareth, who is the wife of Joseph, a carpenter, was first discovered by a group of shepherds who received the news of His birth from a band of angels while they were tending their flocks in the low lying hills outside the city.

Descending in a blaze of heavenly glory that prostrated the little group of men and boys with amazement, the divine visitors told them not to be afraid but to go to the stable in Bethlehem, where they would find the Christ in swaddling clothes and lying in a manger.

This the shepherds did, being guided all the way by an angel. There they found the child, but recently born, with his parents and stable animals. So deep was the conviction of the angel's message upon them, that they immediately accepted him as the promised Savior, and fell upon their knees and worshipped him.

Following in quick succession the visit of the shepherds was a caravan of wise men, or Magi, from humble birthplace bearing jewels and precious gifts. To them too, this was a long-awaited event, since they are close students of astronomy, and were watching for the star. When it appeared they regarded it as the sign that the child had been born which the prophet had foretold.

While the largest part of the population here is talking of the event in tones of unsuppressed awe, and plainly regard it as a means by which they will be delivered from their Roman oppressor, there are many who are frankly skeptical. They feel that the future of Christ will come from a more sgnificant source.

The whole atmosphere here has been one of unusual excitement for the past few days since that was the time decreed by Augustus Caesar for all taxpayers in Judea to be registered. Mary and Joseph, being of the house of David, were required to come to Bethlehem, and although Mary was an expectant mother, and the 50-mile journey from Nazareth in Galilee was extremely arduous for her, the urgency of the order was such that they dare not say no.

From the meager details gained from keepers of public places, it appears that Joseph had failed to make any reservations for lodging. The low temperature of the winter night forced them to the stable where they made themselves as comfortable as they could in the straw. They suffered no ill effects from the experience, however, and those who visited the little family after the birth became known, report that an aura of light transformed the dingy surroundings into a place of beauty.

Mary indicated that she would call the Child Jesus.

Prophets Of Old First To See Coming Of Prince Of Peace

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1—. For centuries prophets have forecast the birth of a Christ Child, and historians have made many references to the coming of a Messiah.

These are some of the names which have been applied to Him, Immanuel, Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace, The Lord of the Highest and Jesus.

Since the birth here today of the Wonderful Child and the excitement and rejoicing that have followed local scribes have been searching history and the Bible and point to the predictions of Isaiah, Jeremiah, Micah, and others.

The following quotations are given as vital to the Messiah's coming:

The Lord spoke again to Ahaz saying, Ask thee a sign of the Lord thy God . . But Ahaz said I will not ask, neither will I tempt the Lord, And he said, Hear ye now, O House of David . . . Behold a virgin shall conceive, and bear a son, and shall call his name Immanuel.—Isaiah 7:14.

The people that walked in darkness have seen a great light; they that dwell in the land of the shadow of death, upon them hath the light shined . . . For unto us a child is born, unto us a son is given, and the government shall be upon his shoulders, and his name shall be called WONDERFUL COUNSELOR, THE MIGHTY GOD, THE EVERLASTING FATHER, THE PRINCE OF PEACE, of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and justice henceforth even for ever.

The zeal of the Lord of hosts will perform this.—Isaiah 9:2-7.

I will Gather the remnants of my flock out of all countries whither I have driven them, and will bring them again to their folds . . . and I will set up shepherds over them which shall feed them, and they shall fear no more, nor be dismayed, neither shall they be lacking, saith the Lord. Behold the day come, saith the Lord, that I will raise upto David a righteous branch, and the king shall reign and prosper, and shall execute judgment and justice in the earth . . . And this is his name whereby he shall be called, THE LORD, Our RIGHTEOUSNESS.—Jeremiah 23:3-6.

Now gather thyself in troops, O daughter of troops; he hath laid siege against us: They shall smite the judge of Israel with a rod upon the cheek. But thou, Bethlehem, Epharatah, though thou be little among the thousands of Judahs, yet out of thee shall come forth unto me one that is to be ruler of Israel; whose goings forth have been from old, from everlasting . . . And he shall stand, and feed in the strength of the Lord, in the majesty of the name of the Lord his God; and they shall abide; for now shall he be great unto the ends of the earth.—Micah 5:14.

In the sixth month the Angel Gabriel was sent from God unto a city of Galilee, named Nazareth, to a virgin spoused to a man whose name was Joseph, of the house of David; and the virgin's name was Mary. And the angel came upon her, and said, Hail thou are highly favored, the Lord is with thee: blessed are thou among women. And when she saw him she was troubled at his saying, and cast in her mind what manner of salutation this should be, and the Angel said unto her: Fear not: Mary, for thou hast found favor with God.

Magi Followed Star To Find Son Of Mary

BETHLEHEM, Dec. 25 — Beginning the Year of Our Lord 1. — The mysticism and beauty of the Orient has mingled with the simplicity and reverence of a little town made holy by a divine occurrence.

Three sages from the East, impressive in the richness of their many-colored silks and gold insignia, walked the dusty streets of Bethlehem today and told of their journeys across desert and plain to lay rare gifts at the feet of the tiny babe.

They spoke briefly and eloquently of the prophecy. "There shall come a star out of Jacob, and a spectre shall rise out of Israel," and they described the brilliance and comet-like action of this star which had arisen in the east, and which they had followed until it halted over the Judean city.

These three Magi who bear the names of Caspar, Melchor and Balthazar, were familiar with the Hebrew prophecies which foretold the advent of the Messiah, and had long waited for the star, they said. To prepare for the promised King of Israel, they sold their possessions and equipped a caravan.

Last night, surrounded by humble shepherds and barnyard animals, they fell to their knees and worshipped the young child with great joy, and presented him with frankincense, myrrh and gold.

When they were asked if the commonplace surroundings seemed out of keeping with Christ's significance, Melchor, this wise man, answered:

"The iKng we seek is not to be found in the palace, nor among the rich and powerful. If the light of the world and the glory of Israel had been appointed to come with earthly splendor, it must have happened long ago. For no son of Abraham will ever again rival the power which Joseph had in the palaces of Egypt or the magnificence of Solomon throned between the lions of Jerusalem. But the light for which the world is waiting is a new light, the glory that shall rise out of patient and triumphant suffering. And the kingdom which is to be established forever in a new kingdom, the royalty of unconquerable love."

An intimation of the uncertain future was voiced when he added: "I do not know how the turbulent kings and peoples of the earth shall be brought to acknowledge the Messiah and pay homage to Him. But this I know. Those who seek him will do well to look among the poor and lowly, the sorrowful and the oppressed."

The men seemed little disposed to talk about returning by way of Jerusalem and encountering Herod. There is a rumor that they are making the caravan ready to go through Egypt.

Wherever they go, they are followed constantly by crowds of both adults and children, their stateliness and air of wisdom being especially interesting.

Shopkeeper Has Doubts About Jesus

BETHLEHEM, Dec. 25—Beginning of the Year of Our Lord 1. — "All the excitment has made more business for my shop but I do not believe he is the Christ."

That was the opinion of the proprietor of a small shop here who has not yet visited the now-famous birthplace of the infant Jesus.

"I really believe this is just something arranged to make more entertainment for taxpayer week," he went on. "Why, the true Christ will be so mighty that there will not be a doubt by anyone when he comes. That light was just a falling meteor and those sleepy shepherds were startled by it. You know how a story can grow."

He said he had been too busy to go along with the crowds to the stable, and added that the innkeeper would probably have more business than ever.

"I have an extra room here at the back,'" he said thoughtfully. "If I had only known—" and he hurried to wait on a customer.

'Mary Smiled At Me!' Simply Clad Boy Says

NAZARETH, Dec. 25 — Beginning of the Year of Our Lord 1.—A young boy—one of the band of shepherds which was visited on the hill near here last night by a heavenly host of angels who told them of the birth of the baby prophet, was a shy narrator of events transpiring at the stable when the presence of the child became known.

Roughly clad, and plainly awed by his part in the divine drama, he gave the only clear impression gained of Mary, the mother of the Holy Child. The other shepherds were too inspired, and the wise men from the East too preoccupied with the identity of the infant to notice details which the eye of a child seized upon.

"Everything seems so quiet in the stable," he replied to questions. "I noticed that even the pigeons didn't coo like they usually do."

"Did Mary or Joseph say anything to anyone?" he was asked.

The lad flushed, then confided: "Joseph asked me to help him fix the hay so it would be more comfortable, and then Mary smiled at me after she had been looking at the baby, and so I asked her if they didn't have better places in the inn. She answered low-like: "There wasn't any room for us."

"I felt sorry for her; and then she smiled again and just whispered: 'But I like it here. The inn was so noisy, and the streets are full of loud people. The animals are peaceful. You mustn't feel sorry for us.'

"And do you know, somehow I was. I still feel strange. It is as though something too wonderful to talk about has happened to me, I can't explain it. But I feel so peaceful inside."

Messiah Comes Into World Torn By Internal Strife

BETHLEHEM, Dec. 25 — Beginning the Year of Our Lord 1.—Christ was born last night. They say he is a King. Into a world torn with strife, into a dictator-ridden country that trembles at the clashing swords of Rome, has come the ray of light so long awaited by the troubled people.

It is a far cry from the golden pillars of Solomon's temple to the crude stalls of a cattle barn.

For hundreds of years the memories and tales of the glories of ancient Jerusalem have been treasured in the hearts of a scattered race. For generations they have unrolled their papyrus scripts and reassured themselves that one day a Redeemer of Mankind would restore their kingdom. With mighty armies He would vanquish a tyrant Caesar, and rebuild their shining city.

They thought of Him in terms of shining raiment and a golden throne; they didn't expect swaddling clothes and manger hay.

They could see Him proclaimed by heralds with silver trumpets; they didn't think his

Herod In Dread, Seeks To Delude Sages From East

Manger Miracle Told Over And Over As Groups Collect

JERUSALEM, Dec. 25—Beginning the Year of Our Lord 1.—An apprehensive Herod sits on the throne of Judah, and is much disturbed at the miraculous birth of Jesus in Bethlehem.

This was brought to light with the recent visit here of sages from the East who were seeking the newborn King of the Jews. Having heard of their inquiries, Herod hastily called together his chief priests and scribes who write the laws, and demanded them to tell him more of the prophecies of Christ's coming.

Then he summoned the wise men for questioning, and led them to believe that, if they would go to Bethlehem, discover the Child and return and tell him about it, he would journey there himself to pay homage.

Those who heard Herod's interview with these Eastern wise men say he was given only evasive answers.

Political commentators say it is understandable that Herod should feel uneasy at the rise of a leader who will capture the imagination of a discouraged people. His reign has been a singularly unhappy one due to the pressure from Rome.

The Emperor Augustus has lately accumulated foreign property and subjects through a campaign of military invasions and controls about all in this part of the world that is worth taking. This has occupied the minds of the people, but has increased Roman extravagances. Palestine is one of these conquered countries and Herod is the King of Augustus's own choosing.

Some regard Herod's fear of a ruler who will overthrow him in a material sense as being unfounded.

They maintain that the significance of the Messiah is spiritual rather than political, and point out that he has always been prophesied as a Shepherd of Souls rather than a military deliverer.

Herod's nature, these commentators say, make it impossible for him to understand a Prince of Peace.

Brilliant Star Presaged Secret Mystery Of Birth

JERUSALEM, Dec. 25 — Beginning the Year of Our Lord 1—Eminent astrologers here admit to the appearance of a new star. They say that at infrequent periods such stars, or novae, as they term them, suddenly appear with great brilliance, are evident for a time, hen fade away.

Last night's star, they explain, resulted from the conjunction of two great planets, Jupiter and Saturn.

Dogs And Sheep Overcome By Celestial Radiance

BETHLEHEM, Dec. 25 — Beginning the Year of Our Lord 1. — The shepherd's dogs and sheep were overcome also by the strange light from heaven last night, the men report.

GREAT JOY PERVADES CITY OF BETHLEHEM

BETHLEHEM, Dec. 25 — Beginning the Year of Our Lord 1.—It is impossible to describe the feeling of great joy that pervades Bethlehem today as the coming of the long-heralded Messiah is realized by the majority of its inhabitants.

The shepherds probably experienced the most poignant sensation for it was to them that the news was first given. The little group who were guarding their flocks from foxes and wolves that still roam the hills of Palestine, speak with great wondering of last night's message from the sky.

The amazing light together with the chanting of a heavenly host has brought on incoherence to their speech; but the radiance of their faces is more impressive than any words could be.

"An angel of the Lord suddenly flashed before us, and the glory of the Lord shone all around us," one of them said

"We were frightened but the angel said, "Have no fear. This is good news. I am bringing to you news of great joy that is meant for all the people. Today you have a saviour born in the town of David, the Lord, Messiah. And here is a proof to you: you will find a baby wrapped up and lying in a stall for cattle.'

"Then a host of heaven's army suddenly appeared beside the angel, extolling God and saying, 'Glory to God in the highest, and on earth peace, good will toward men.'

"Having sung this song, the angel went back to heaven, the light faded away, and all was dark as before.

"We began talking together about these strange sights and sounds," the shepherd related.

"We didn't stop to think what would happen to our flocks, or wait until morning, we went at once. When we saw all was as the angel had said, we told everyone about it."

Herod's Spies Departing Hurriedly For Jerusalem

BETHLEHEM, Dec. 25 — Beginning the Year of Our Lord 1.—Several known spies and two syncophants of the court of King Herod, who for the greater part of the morning have been furtively watching the stable wherein the King of Glory rests in his swaddling clothes, left on camels bound presumably for Jerusalem.

Herod is known to be extremely interested in the journeys of the Magi to Bethlehem.

Astrologers See Tragedy, Sorrow For Holy Babe

JERUSALEM, Dec. 25 — Beginning in the Year of Our Lord 1. — Great Tragedy will mark the future of the child born in Bethlehem, says this country's foremost astrologers. The stars, they say, reveal:

He will be in great danger while he is still an infant, and because of an attempt upon His life, many children will be killed.

He will live to be healed in Jerusalem, but will later be rejected and betrayed by one close to Him.

Crucifixion will be the manner of His death, and He will undergo unspeakable suffering.

There are other venerable men here who read aloud pathetic words which foretell the sufferings of the promised Messiah.

These reveal that He will be "despised and rejected of men, a man of sorrows and acquainted with grief."

Their search of the records, it is believed, will continue for many weeks and will entail many secret conferences with not only members of their craft, but with the priesthood in the temple itself. Whether their findings will be made public in detail is not known.

The astrologers added that this preliminary report of their findings as revealed by their efforts probably wolud be considerably altered by further study, and indeed, might be radically altered by results of research and study.

Mary And Joseph Both Descendants Of Royal Line

NAZARETH, Dec. 25—Beginning the Year of Our Lord 1.—Although Mary, mother of the Saviour, and her husband, Joseph, live among the humbler folk here, where he is a carpenter, they are of the royal family of Judah and the descendants of King David.

The Jews keep exact lists of their genealogies thus explaining the present situation.

For the old phophets said that the Christ child was to be born at Bethlehem whereas Mary lives in Nazareth 50 miles distant. But when the Emperor Augustus called for the regular 10-year census he ordered Herod to register the people according to the tribe to which they belong. Mary and Joseph belonging to the family of David were required to go to Bethlehem.

Inn Keep's Faith In Miracle Strengthens

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1.—Bewilderment marked the features today of the keeper of the little inn where Mary and Joseph sought shelter last night. But behind the bewilderment could be sensed a dawning belief.

"There was something different about her face," he said of Mary. "It was tired—but different. And when Joseph turned away leading the ass she was riding, something about him too, made me want to call them back.

I went to the stable this morning," he mused. "Only it didn't seem like the same stable, somehow."

Magi's Wisdom Is Greatest In World Declares Caspar

BETHLEHEM, Dec. 25 — Beginning the Year Our Our Lord 1.—This is what Caspar, one of the wise men, said about their belief:

"The wisdom of the Magi is the greatest of all wisdoms on earth, because it knows its own ignorance. And that is the secret of power. We worship fire as a symbol of Him. We keep men always looking and waiting for a new sunrise, but we ourselves understand that the darkness is equal to the light and that the conflict between them will never be ended."

SPEARS FORD

Around Here

By Pat McGehee

This week I'd like to devote my column to a stanza from "On The Morning Of Christ's Nativity."

This is the month, and this is the happy morn
Wherein the son of heaven's eternal king,
Of wedded maid, and virgin mother born,
Our great redemption from above did bring;
For so the holy sages once did sing,
That he our deadly forfeit should release,
And with his father work us a perpetual peace.

—John Milton

Expansion Ceremony Slated Sunday by Lutheran Church

Ground will be broken Sunday at noon for the new sanctuary of the Lemon Grove Lutheran church to be built at the corner of Skyline and Alton dr.

Property was purchased for the expansion about a year ago when the church committee purchased the site which was formerly a chicken ranch, according to the Rev. H. C. Bakken, pastor of the Lemon Grove congregation.

The new project represents an investment of approximately $180,000 a spokesman for the church said. Architect for the building is F. D. Harrington, who has specialized in churches in San Diego for many years. R. A. Weeks of Lemon Grove is the contractor.

The congregation has outgrown its facilities three other times since it was organized in November 1949, Pastor Bakken said.

Star Of Bethlehem

By Mabelle Gigliotti

He came to dwell among the poor and insecure:
He at whose birth the hope of Earth was born.
Bleeding and torn, he said, "Forgive, and live!
Forget yourself and find my joy of heart,
My peace of mind."
O. Star of Bethlehem, Hope is not yet past,
Guide us 'til we are freed from envy, fear and greed
To peace at last.

companions could be rough-haired oxen and sleepy-eyed goats.

They expected urns of smoldering incense, but not the aroma of a stable.

Multitudes would prostrate themselves on the ground in His presence, they believed; they didn't suppose that a harried innkeeper would suggest that the royal family sleep in the barn because all of his rooms were full of taxpayers.

Some say that this baby born last night to Mary and Joseph of Nazareth couldn't possibly be the Messiah foretold in Scriptures. But there are others who remember the words of the prophet Isaiah, of Jeremiah and of Micah and with unspeakable joy hail Him as the Saviour of Israel.

Adopted children in the U.S. increased 114 per cent between 1944 and 1960, reports the Children's Bureau. About 100,000 children are adopted in this country each year.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read (p 315): "Jesus' spiritual origin and understanding enabled him to demonstrate the facts of being—to prove irrefutably how spiritual Truth destroys material error, heals sickness, and overcomes death. Lemon Moving Ceremony Seen for December 28

The "Lemon-aid" program topped $238 this week as arrangements were made to move the lemon in time for a dedication program Dec. 28. Receipts this week totaled $76.98.

Contributions have been turned in to this newpaper's office while Mrs. Loeta Saville, a committee-of-one representing the L.G. Chamber of Commerce collected funds from various businesses and professional people.

The 10 foot high lemon, a Lemon Grove landmark, which has been located on the railroad right-of-way at the Imperial-Main street intersection at Golden ave. since 1934, had begun to deteriorate recently and citizens spontaneously sent contributions to this newspaper requesting rehabilitation of the lemon.

Mrs. Saville, once a resident but who now resides in S.D. heard about the situation and volunteered to aid. She has collected most of the funds by herself.

Larry Folda, a building materials firm owner, is chairman of the chamber lemon-aid project. He met with Willard Keller, traffic manager for the S.D. and Arizona Eastern Railway Tuesday and got tacit approval to relocate the lemon to a point near Broadway.

Plans are underway to hold a civic dedication of the newly moved lemon Dec. 28 with the Mt. Miguel band supplying music. Details will be announced as they are worked out, Bob Vaught, chamber president said.

The move will be made dur ing Christmas week Folda said. The plastering, repainting and electrification will be done as soon as it becomes feasible.

A fence will be installed around the lemon and the en tire project will be landscaped, Folda said.

LEMON GROVE REVIEW

Lemon Grove (Calif.) REVIEW, Dec. 20, 1962 Page 3

BULLETIN!

L.G. Lemon Struck By Termititis!

The Lemon Grove lemon, suffering from falling of the underpinning, now has an additional ailment to be corrected.

Don't say that we told you, but our spy reports that it has termites in its (pardon the expression) framework! A bad case of termititis, as it were.

This revelation was made early this week when Bill Bierly of 8145 Imperial ave., L.G. who is also manager of the S.D. Exterminating Co., made an exploratory examination of the Lemon Grove lemon at its Imperial-Main and Golden site.

In his professional capacity he confided that the lemon has more than one type of termites.

"It has both subterranean and dry termites," he stated ominously.

"What are subterranean termites?" we asked, now fully alarmed.

"They live in the ground and must return for moisture every 24 hours," he said.

"And the dry ones? You mean . . . ?"

"Yep. They live without moisture."

Well, there you have it. The L.G. lemon has a serious case of infestation . . . but there's a bright side. With proper care and change of locale, the lemon can be brought back to health. What's more, the termite doctor is going to do it without charge as his contribution to the community "lemon-aid" project.

ASKED A CERTAIN QUESTION by Lemon Grove's Santa Claus, Keith Ungricht, 7½, son of Dr. and Mrs. William D. Ungricht of 2615 Corona, Lemon Grove answers by naming what he would like for Christmas. He encountered St. Nick on the north side of Broadway on Friday of last week.

Lemon Grove's own Santa has become a familiar sight in the downtown area this Christmastide. Hundreds of local children like Keith have poured out their wishes to the cheerful gentleman.

Tree Contest Closes Tuesday

The Christmas tree decoration contest sponsored by the L.G. Hardware store will be open until Christmas Day according to Elza Sanders, store operator.

She said that both indoor and outdoor trees would be judged during Christmas Week and merchandise certificate awards would be given for winners in each category.

Contestants will be required to give the store the address of the tree to be judged. This may be done by phone or in person. There is nothing to write or guess or purchase, Mrs. Sanders said.

The store telephone number is 466-3978.

L.G. GIRL, 7, HURT TRYING TO CROSS '94'

A Lemon Grove girl, 7, was injured when she was hit by a car while she ran across Freeway 94 near Costa Bella st. on Dec. 13 at 2:37 p.m.

The victim was Alice E. Moore, daughter of Mr. and Mrs. Walt R. Moore of 3842 Costa Bella. Grossmont hospital, where she was treated, reported that the child had face lacerations and a possible broken leg.

The Calif. Highway Patrol said that a west-bound car driven by Lewis E. Robb, 38, of 3607 S. Cordoba st., S.V. struck the girl as she ran north across the freeway. The CHP said Robb was not at fault and he was not cited. Robb told CHP that he slammed on his brakes on seeing the child and they locked. He swerved to the right to try to avoid her.

A CHP spokesman said he didn't belive Robb's car hit the girl directly.

.38 Of Rain Falls In L.G.

The Monday and Tuesday storm brought .38 of an inch rainfall to Lemon Grove, the Fire Department reported. The storm also brought warmer weather with a high of 72 degrees being recorded on Dec. 16.

The recent rain brings the weather year's total (weather is figured from July through June) to only .39.

About $400 fire damage occurred in the living room of the home of Mr. and Mrs. Henry Gale, 2353 Di Foss st., L.G. on Dec. 17 in the early morning hours, according to Capt. Mark Foote.

A Christmas candle that was burning undamagingly on the mantel at 2 a.m. when the Gales retired, ignited the wall, bringing about extensive smoke damage in the living room as well as filling the house with smoke by 4:10 a.m. when the Gales were awakened by the stifling air.

They extinguished the fire but reported it the next morning to the fire department. It was the first Christmas decoration-caused fire reported here this year.

About $150 fire damage occurred in the kitchen of the Benjamin Sambol home at 2002 Noble st., L.G. after Mrs. Sambol left something cooking in the electric oven when she left the house on Dec. 13. All that happened, Capt Foote said was that the home filled up with smoke. Firemen aired it out with smoke ejectors.

The DIMMER VIEW

by MAX GOODWIN

Are You Eligible For The Team?

A no more timely message could be given here than the one issued annually by the California Highway Patrol. The blue-and-gold boys point out that every year the nation's sports writers choose an All-American footbaal team—eleven men who are the best best at their positions in this sport.

Every day California drivers contribute 11 human beings to a different sort of team—an aggregation compounded of tragedy; an unpopular group, yet formed, inexorably, each day.

There is no voting to get on this squad. Most people put themselves there — through a traffic violation, inattention, a careless or discourteous act.

It is truly an all-California group—members come from throughout the state. It is not particularly exclusive, however. By tomorrow another unit will be formed, and today's forgotten.

Of course you have guessed the first requisite. Members must be dead—killed in a traffic accident.

Even while you read this, another unit is assembling, ready to take its place beside the 350-odd teams already formed this year. And the approaching holiday season, if history is any guide, not only will supply its daily quota of 11-member squads. There will be plenty of reserves added to the roster.

It's not hard to make this team. Many drivers found it took only a moment's carelessness, a little too much speed, a pass on a blind curve, a couple of drinks.

It's possible to stay off, too. It takes 100 per cent concentration on the job of driving, strict compliance with law, firm control of the emotions and command of all physical faculties. Certainly it is more difficult. But it's worth it.

You won't be among tomorrow's eleven.

HOLIDAY DANCE SLATED FOR SENIOR CITIZENS

Supervisors Approval Officially Forms Unified Port District

SAN DIEGO (CNS)—Formation of the Unified Port District of San Diego became a reality Tuesday, when County Registrar of Voters Charles Sexton filed with the Board of supervisors the results of the Nov. 6 election and the Board then approved a resolution organizing the district.

Coronado officials had obtained an injunction preventing Sexton from reporting to Supervisors that a majority of voters in the City of San Diego and in the other four cities involved had voted for the district.

But Bertram McLees, county counsel, reported to the Board Tuesday that that injunction had been dissolved and that his office had prepared a resolution forming the district, for Supervisors to act upon.

Quick Thinking Saves Burning Man's Life

Leo St. Germaine, 33, a plumber who lives in Santee is recovering from third degree burns in Grossmont hospital but only because of a Lemon Grove man's quick thinking.

St. Germaine was attempting to assist Judson May, 1500 El Prado, L.G. get his truck started by pouring gasoline in the carburetor while seated on the truck's fender as it was being pushed by another truck. The gasoline caught fire enveloping St. Germaine. When St. Germaine jumped to the ground and started to run, May overtook him and rolled him on the ground to extinguish the blaze.

CARE is sending $1 surplus food packages to refugee children overseas for Christmas. Parcels contain an average of 22 pounds of milk, flour and corn meal.

PALM AIDS DRIVE — The student body at Palm Junior High School held its own canned food drive on Friday of last week after school by way of a dance the admission to which was a can of food. More than 300 cans were placed by students on a big table in the center of the auditorium. They have been turned over to Lemon Grove Woman's Club welfare chairman Mrs. William Sayward. The Woman's Club sponsors local welfare.
The ASB at Palm was proud of the results of its effort. Here Mike Kreger, 13, an eighth grader and the school's ASB president holds up a can while Toni Heitman, 13, another eighth grader looks on. In background are some of the students who attended the dance.
Mrs. Sayward reports that this year's annual welfare drive in Lemon Grove already has aided 18 families. The L. G. Kiwanis presented L. G. Welfare with a $100 check and the Fire Department has been doing its annual collecting and repairing of toys, Mrs. Sayward announced. Helix High School students also held a canned goods drive on theid own. In the rest of the schools drives were under sponsorship of the PTA's.
Mrs. Sayward said anyone knowing of a Lemon Grove needy family may call her at HO 9-5917.

'Sue Ellen's Candies' Comes To S.V. Center

Spring Valley Shopping Center's newest and "sweetest" addition is Sue Ellen's Candies, a place that not only sells a wide selection of choice confections but makes them in its own candy factory. The neat little candy factory is in plain view out in the front part of the business for everyone to see.

In the very front is a refrigerated glass booth where passersby can watch candies being chocolate-dipped. A taffy machine is not far away and if people step inside they can see fudges, peanut brittle, English toffee, divinity candy and other irresistibles in the making. A long glass display case contains these candies in the final form, peanut brittle in big sheets being among the most eye-catching.

Formulas Are Ancient

Partners in the candy enterprise are Bob Yenawine and Don Moody who are using candy formulas hundreds of years old "which have been taste-tested through the generations."

A full-time candy maker working with them is Charles Ledbetter.

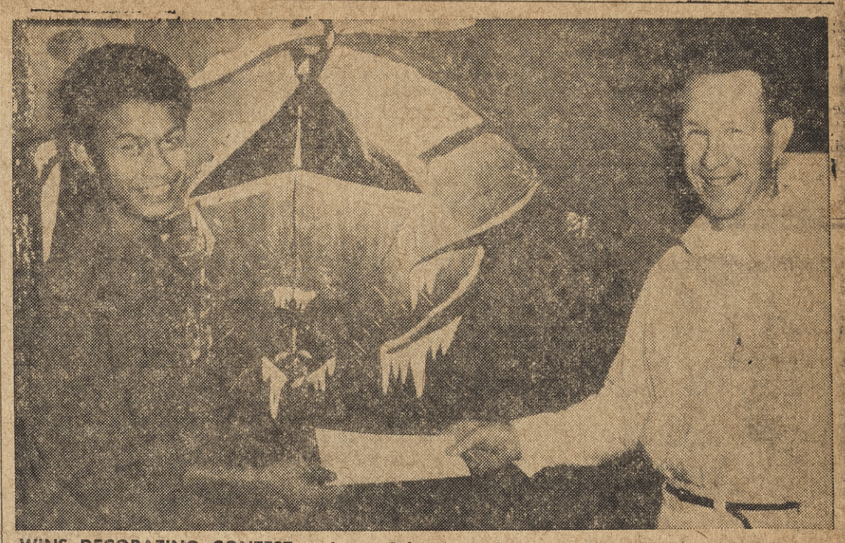
Ed Waite, Bob's father-in-law works with the firm advisorily. He's good to have around part of the time because he has been making candy for 52 years and is such an expert that he can describe immediately the ingredients of any candy one might show him. The Sue Ellen formula for taffy is the "Yankee" one used in New England since the 1600's and one which Ed learned half a century ago.

Won't Tell Secret

"Ed the candy maker" said he won't divulge this particular formula. However, he doesn't mind telling people what Sue Ellen English toffee is made of. "Our batches contain five pounds of butter, five pounds of sugar and five pounds of almonds," he said, adding that there are certain fine points to putting the ingredients together.

Bob and Don use the motto "Candy is the messenger of sentiment" for Sue Ellen Candies. Elaborating on this, Ed insists that candy has patched up more domestic quarrels than anything that he knows of.

"What could be sweeter?" he asks.



WINS DECORATING CONTEST — Larry Calpito, 15, accepts first prize of $15 from Ron Berkel, chairman of the Thriftimart Shopping Center's first annual window decorating contest after judging was done Saturday at the center by members of Spring Valley Kiwanis. Larry's winning decoration is on the window of Olympic Cleaners and is seen in this photo. He calls it "A Cold Night Before Christmas." It is a tree with a candle lantern hanging from it. Larry said it was practically his first attempt at art.
Second prize winner was another Mt. Miguel student, Cheryl Cobb, whose painting of the Virgin Mary holding the Christ Child adorns Thriftimart. She received $10. There were 12 entries and the contest resulted in a lot of pretty Yuletide decorations on the center's windows.
Other businesses sponsoring the contest were Foster's Freeze, run by Berkel, Jay's Barbershop, S. V. Auto Supply and the Standard Service Station.

SVEA COURT EMANATING SPIRIT OF CHRISTMAS

Dear Editor:

I am a small street named Svea Court, tucked away in Monterey Heights of L.G., not often seen by many people.

In the evening, at this time of the year, I am most beautiful—made so by decorations and colored lights adorning each home.

The families who live here make their lights shine even brighter because all year they show the true meaning of "help thy neighbor" and "brotherly love."

From my entrance you can feel each home saying "welcome, we're happy to have you here!"

Why don't you come up and see.

Signed: Svea Court

A Story About Teena and Her Tiny Christmas Card

By Lois Kerfoot

Tena is a little girl just about your age. It was the week before Christmas, and Tena was watching her mother sort out last year's Christmas cards, giving Tena all the cards she didn't want.

I was one of the cards Tena's mother threw away. I am such a tiny card. In fact, I'm not much bigger than a postage stamp, but I have a beautiful picture on the front of me—a golden star with our Savior in the manger.

Tena was very happy with her box of cards to do with as she pleased. She spread them all out in front of her on the floor—candles glowing bright; red and silver bells, and holly, gay. I didn't think she would see me at all 'cause I was so very, very tiny. But now what do you think! She looked down at me and said, "It doesn't matter how little you cost, or how tiny you may be, as long as you represent the real Christmas spirit.

She picked me up and held me tenderly in her little hands and said, "I'll choose you to give to my Mommy." Can you imagine how happy I was to be chosen from all the other beautiful and expensive cards to be given to the one Tena loves most—her mother!

Now listen, while I tell you the rest of the story — the part that pleased me most. When Christmas was over, Tena's mother began putting her cards away. She put all the others in one big box; and me—do you know what happened to me? Oh, No.! You're wrong! I was never thrown away again, because now Tena's mother knew that it isn't the price one pays for a gift or a card that is important, but the love in the heart of the giver. I was put in a special little box of my very own, and lay on a soft bed of white cotton. Every Christmas day I will have a special place 'cause I represent love, and the true Christmas spirit, even though I am so very, very tiny.

REV. H. C. BAKKEN

"ADVENT"

In the fulness of time, God sent His Son. It was not accidental that Jesus was born at Bethlehem on a specific night. This was by Divine determination. God chose the mother and foster-father of our Lord; folks descended from David so that He is heir to David's throne. In the body which He received from Mary, God placed His own Son, so that He is God in human flesh come to redeem us.

Boer War Veteran Dies In S.V.

Masonic funeral services for Richard J. Hardy, 81, of 10370 Loma Rancho rd., Spring Valley were held Dec. 14 at Erickson-Anderson Mortuary under the auspices of La Mesa Lodge 407, F. & A.M. Interment was in Glen Abby Memorial Park. Hardy died Dec. 9 at his home.

A native of England, Richard Hardy had lived in San Diego County 11 years. He was a veteran of the Boer War and had been a railroad machinist. His home lodge was King Solomon Masonic Lodge of Elryia, O. He was also a member of the Eastern Star of that city. Hardy is survived by his widow, Lillian and one sister.

THE GIRLS' LEAGUE of Mt. Miguel High School held its annual Christmas canned goods and dimes drive from Dec. 10-14. The drive was successful and here club members are getting things together for distribution to needy families of the area. The girls are (from left) Shirley Miller, Sheila Green and Barbara Leonesio.

THIS PLAYHOUSE REPLETE with Yuletide decor, will be given away during Friday night's Christmas party of kids scheduled to begin at 7 p.m. at the Mayfair parking lot in Casa De Oro. The event is being sponsored by the C d' O Chamber of Commerce and playhouse tickets at 50 cents donation still are available at Art's Lumber Yard on Campo rd. The pretty gal is Melanie Pluss, 15, of 3314 Ybarra st., S. V. whose club, the Pi Chi's have been helping the chamber with tickets. The smaller pretty gals are Connie Shafer (left), 8, of 3408 Glen and Karen Becker, 7 of 3467 Glen.

HOUSE THAT RODE IN 3 PARADES TO BE GIVEN AWAY AT C d' O CHRISTMAS PARTY

Casa De Oro's "house of gold," the small building that rode on the C d' O Chamber float in three parades—the one in Spring Valley in October and the ones in La Jolla and Encinitas—will be given away to a lucky ticket holder during Casa De Oro's first annual Christmas party for children to be on the Mayfair parking lot an Campo rd. and Kenora dr. this Friday night at 7.

Tickets on the house are being sold at 50 cents donation eahc, according to Art Shafer of Art's Lumber Co., who built it and who is spearheading the celebration to which all local kids are invited. The house is a child's playhouse, he said. Donations for the tickets will go toward Chamber projects.

The Pi Chi's of Casa de Oro, a group of girls who've formed their own club have been aiding the Chamber on taking donations for the tickets for the playhouse, estimated to be worth $300, which is on display at Art's Lumber Co., 9964 Campo rd.

Santa Claus will be on hand at the Friday night celebration to greet the kids and give them candy. Another feature will be a performance by the Monte Vista High School pep band.

The average poor man is probably better morally than the average rich man, as nearly all sins are expensive.—The Bristol (Va.) Herald Courier.

Honor Roll Is Missing

Lemon Grove's Roll of Honor is missing!

It is a small billboard-like sign with the Honor Roll listed as an open book. It was wood, about five by three feet in size, with more than 100 names of local servicemen on it.

The L.G. chamber of commerce wants to know its whereabouts or want a photo of it with the names readable enough for reproduction.

Such information should be passed on to the chamber at 469-9621.

2 Cars Hit Telephone Poles, Third Goes Over Bank In S.V. Accidents

Three drivers and three passengers were injured this past week, in three different one-car accidents in the Spring Valley area. These and other ambulance calls and one fire kept the S.V. Fire Department busy.

Two of the accidents occurred on Dec. 11:

Mrs. Charlotte Ann Hooker, 37, of 4375 Vetter dr., La Mesa, was going east on Orville st. about 3:35 p.m., apparently checking house numbers, when her car went out of control, jumped a curb and hit a light pole, according to California Highway Patrol. She was given first-aid and taken to Grossmont hospital.

The second accident was at 11 p.m. Mrs. Louise Cason, 44, of 10707 Jamacha blvd., Space 246, was driving her car east on Campo rd. A few hundred feet east of Bancroft dr. she apparently tried to avoid colliding with another car and her own left the road and hit a pole. She was taken to Naval hospital.

The third accident was on Dec. 16 at about 9:10 a.m. Sally Checkhart, 28, of 4511 Natalie dr., San Diego was driving west on Calavo dr. In the car were her sister, Mrs. Jack (Kathleen) Meacham, 29, of 4215 Calavo dr., S.V. and the two Meacham children, David, 4 and Jeffry, 1.

As Miss Checkhart went around the hill and neared Campo rd., her car apparently hit loose gravel on the road, causing the car to skid. It veered to the left and went over the bank. All persons were taken to Grossmont hospital. It was reported that Miss Checkhart was severly bruised and Mrs. Meacham received a concussion and whip-lash. The children weren't hurt bad.

SECOND TEEN DANCE TO BE HELD SUNDAY

The first in a series of teen dances was held in the Spring Valley Chamber of Commerce hall Sunday night. The dance was quite successful, according to Bill Zabel of the Chamber. Zabel said there was a fairly good crowd and that everything went off "smoothly." The second dance will be held on this Sunday at the same place from 7-10 p.m.

FILMS SCHEDULED

Four outstanding films will be shown this weekend, Dec. 21, 22 and 23 at The Sign of the Sun as part of its current series on peace and war, said Harold Darling, director.

Smile May Be False Pro-Referee Says

Cletus "Biff" Gardner, county director of Parks and Recreation and nationally-known football authority, told the L.G. Men's Club Friday of some of his experiences as a professional football referee. He has spent 32 years in coaching and 22 years in professional ball. He is a National League referee presently.

Title of his talk was "Have Skunk Shirt, Will Travel." National League referees, he explained, wear black shirts with white stripes on them making the name "skunk" appropriate.

"Don't let the apparent happy attitude of a penalized player fool you," he told the club. "These guys are aware that many thousands of fans have their eyes on them and millions more may be watching them via tv. I have had players pass me with a smile so wide that you could see every tooth in their heads, and without changing expression they curse you like a drunken sailor."

Jim Spears, president of the Men's Club announced that the club would be dark during the holidays. There will be no meeting until Jan. 11. The meetings are held at noon on Fridays at Michael's.

S.V. Senior Pals And Gals Club Holding Christmas Party Today; Mrs. Harris Writes Club Song

The Spring Valley Senior Pals and Gals are holding their Christmas party today at Goodland Acres Park clubhouse on Troy st. All persons of retirement age are invited to attend. Those attending are to bring an exchange gift for a member of the opposite sex. A pot-luck dinner will be served at 12 noon and all are asked to bring their favorite dish. A program, under the direction of Mrs. Jean Eskridge will be presented at 2 p.m.

A song for the Senior Pals and Gals was written by Mrs. Grace Harriss, one of the past presidents of the S.V. Women's Club. Written to the tune of the old favorite "Ta-Rah-La-Boom-De-A," the words are:

We are Senior Pals and Gals,
We're made up of Joes and Sals.
We plan hard, while having fun,
Something here for everyone.
Come and Join our club, please do,
You need us and we need you.
If you do we know you shall
Soon become a Pal or Gal.
For We Are
Senior Pals and we are Senior Gals.
Please meet with us and say
You'll come another day.
Our hearts are young and gay.
We'll always stay that way.
For we are Special Pals
And we are True Blue Gals.

SEASON'S BEST

May the spirit of Christmas brighten your home with a loving glow.
